ABOUT

Pendennis has a 28 year history that includes over 250 refit projects and 30 custom yachts, and prides itself in constantly investing in their world class facilities in Falmouth. The current workforce of over 370 covers all trades in-house, and is constantly rejuvenated by the award winning apprenticeship scheme.

Pendennis has built some of the world's most prestigious yachts including the impressive catamaran *Hemisphere*, *SY Christopher*, *SY Rebecca*, *SY Nostromo*, and the unique explorer yacht *MY Steel*. Pendennis is proud to have completed refits on yachts such as *SY Adela*, *MY Aquila*, and most recently the major 30-month restoration of the classic 1930s motor yacht *Malahne*.

Pendennis' ability to undertake a wide range of motor and sail yacht projects was enhanced by the acquisition of Devonport Yachts in 2010, now known as Pendennis Plus, increasing in-house expertise in the 60m+ market. The addition of the Palma Refit office in 2011 expanded our European presence which, combined with our Yacht Support team, provides extended global support throughout the life of any superyacht.
