ABOUT

The Cosmo Explorer brand is a brand dedicated to the design, construction and production of strong and reliable luxurious explorer yachts packed with innovations and cutting edge technology, ready to explore the roughest seas. The location of the building was selected to be Greece. Although yacht building in Greece is limited comparing to other European nations, Greece was selected due to the existence of large experience in the management and operation of yachts, as well as the know-how and experience available in the building, refit and maintenance maritime industry.

Although the founder of COSMO brand lacked experience in the shipbuilding sector, the experience gained through the years of yacht Ownership along with the support of specialist naval architects and engineers, allowed for the concept of a unique, hi-end specification, five deck explorer yacht. A yacht of unrestricted service, with ice class notation, built under the rules of ABS classification society and MCA LY2 statutory code.

In this respect, the Cosmo Explorer design and project management team, was established and with the support of valued companies and institutes such as Marin Holland Institute, Vripack Naval Architects, Van Oossanen Naval Architects b.v, ScanVibra and many others, the task of design and production of the project commenced.

Careful selection of partners and subcontractors, high end equipment and makers lists such as MTU Friedrichshafen, Caterpillar Inc, Quantum Stabilizers Inc, Kort Propulsion Co Ltd, Teignbridge Propellers, Rubber Design, Atlas Marine Systems, Nautical Structures, Cramm Yachting Systems BV, Newthex Ned BV, Hamann AG, Evac, Muir, Kiwi Closures, Stainless Steel Down Under, Raytheon, Lutron, B&O as well as strong and persistent quality control and hi building standards specifications set the benchmark of a high Western European yacht building standard.

Exterior and Interior design of COSMO 50 was submitted to Mr. Cristiano Gatto of Cristiano Gatto Design Team Srl. Permanent collaboration with design team allowed for the concept of the Cosmo 50 Explorer Yacht to be compiled as unique masterpiece.

Presently COSMO Explorer is fully time dedicated to the building of COSMO 50 Explorer Yacht, for which, Alizul Finance Corporation Ltd. holds all rights of Naval Architecture and Engineering.

At the same time, design studio working on two new concepts, 40+ and 60+ meters explorer yachts.
