ABOUT

Benetti was established in 1873, making it the oldest Italian builder of motor yachts and an icon of timeless Italian styling and construction excellence. Each yacht is unique and built around the Owner's needs and desires. Benetti designs, builds and markets three product lines: "Class" composite yachts from 30 to 42 meters, "Custom" steel and aluminium yachts from 45 to 90 meters, and "Giga" for yachts over 90 meters in length. Benetti employs about 1,000 highly skilled specialists at its two production sites, Livorno and the headquarter in Viareggio. Benetti also has offices in Fort Lauderdale, Dubai, Hong Kong and London. Benetti is part of Azimut | Benetti Group, the world's largest luxury nautical group with privately held capital.
